

**RULES and REGULATIONS**  
**Relating to Village Code Chapter 178 Articles I & II**

1. Garbage and rubbish receptacles shall be kept in good repair with no ragged edges and the same shall be replaced by the owners thereof upon notice from the Superintendent that the same are hazardous and dangerous to the men collecting the contents thereof.

2. Garbage shall not be placed in paper bags, cardboard cartons, bushel baskets, or oil drums but only in approved plastic bags deposited inside **water-tight receptacles with lids securely fastened**. Each such receptacle shall be watertight and made of suitable material equipped with adequate handles for lifting purposes and with a suitable lid or cover, as well as approved plastic bags inside, and shall have a capacity not in excess of 32 gallons or when filled shall weigh no more than seventy-five (75) pounds. If animals get into the garbage and create a mess, it is the responsibility of the property owner not the DPW.

3. Wire baskets placed at various locations by the Department of Public Works are intended as receptacles for the deposit of small items of trash or rubbish by pedestrians. Occupants of any residential buildings and owners and occupants of commercial buildings or establishments, their agents, servants or employees, **shall not deposit garbage or rubbish therein nor shall unde-livered newspapers be deposited in bulk therein by any person**.

4. No more than a total of three (3) watertight receptacles of garbage or bundles of rubbish will be collected by the Department of Public Works from any commercial establishment on any regular collection day. No more than three (3) such receptacles or bundles shall be placed on the sidewalk for collection day by any commercial establishment, agent, servant or employee thereof.

5. **All of the above refuse and also any material to be picked up as recycling shall be placed at the curb on the sidewalk on regular collection days, before 7 AM but not prior to 6 PM the day before.**

6. Garden debris, flowers, cut grass, sweepings, rakings, clippings, small branches, such as annual growth from hedges, bushes and shrubbery shall be placed in **biodegradable paper bags** at curbside in front of **your own prop-erty only** for collection. Clippings and small branches from hedges and shrub-bery, which are too large to place in such containers, may be made up in bundles, securely tied, not longer than four (4) feet and weighing not more than 50 lbs. **All the above bags or bundles shall be picked-up on Mondays (North Side) & Tuesdays (South Side) with Station Road as the dividing line.**

7. Tree branches (**no larger than 6 inches in diameter**) must be cut or broken up and left **tied in bundles** not larger than forty-eight (48) inches long, eighteen (18) inches wide and eighteen (18) inches high and not to exceed 50 lbs., to be placed at curbside for collection.

8. Appliances, TV's & Computer Monitors shall be collected at curbside on Thursdays. Scheduling is necessary. Call 591-6044 prior to Thursday and leave a message including your address to schedule pick up. All other Bulk Material will be picked up on Regular Collection days.

9. **Leaf Season.** During the Fall Leaf season leaves must be placed **curbside** in **biodegradable paper bags** or in **piles loose**. No other yard debris or tree branches may be mixed with leaf piles as this clogs our leaf vacuum machines. Also, do not place leaf piles in the road as when it rains the leaves find their way into the catch basins and adversely affect the Village's storm water drainage system. **If leaf piles are mixed with any other yard debris or branches the piles will not be picked up until properly separated by the property owner.**

**RECYCLING PROGRAM**  
**BY ZONES AS ABOVE; SHOWN AS Z-1, 2, AND 3**

**Plastic bags are not acceptable. Recycling placed in plastic bags will not be picked up.**

**GLASS AND METAL & PLASTIC BOTTLES:** may be mixed together (commingled). Glass need not be separated by color. Please remove all tops and rinse out containers. Labels need not be removed. Small metal materials acceptable include aluminum and tin cans such as beverage and food cans. Cans should be free of sharp edges. Only plastic with numbers 1 or 2 on bottom, are accepted. Empty aerosol cans and clean aluminum foil are now included. Please flatten the plastic bottles.

**NO Paint cans, mirrors, windowpanes, glass doors, windshields, light bulbs, pots & pans, clothes hangers, ceramics, crystal, Pyrex or batter-ies.**

**NEWSPAPERS, MAGAZINES AND GLOSSY INSERTS:** i.e. coupons; leaflets; envelopes (with or without windows); direct mail flyers; color inserts; ads; brochures; sweepstakes forms; notebook paper; school paper; computer paper; NCR paper; phone books. Put newspapers, magazines and glossy inserts in brown paper bags or some sort of loose container, plainly marked. All of these items may be mixed in the same bag.

**NO Hardcover or soft cover books; food boxes; PLASTIC BAGS; carbon paper. If these materials are found when we deliver to the recovery facility in Yonkers, the loads will be rejected.**

**CARDBOARD:** corrugated only; flattened.

**TEXTILES:** includes; old clothing (clean & dry), quilts, drapes, bedspreads and towels.

**NO Carpets, theatrical draperies, drop cloths, shop towels or pillows. Put textiles in clear plastic bags (exception to the no plastic bags when recycling rule) **on your recycling day.****

**BATTERIES:** Only lithium, button and rechargeable are recyclable which should be put in special receptacle in Village Hall entry. **All other com-mon batteries are considered ordinary garbage.**
